

NDIS PLANNING MEETING CHECKLIST

Be informed, be prepared.

KNOW YOUR RIGHTS

The NDIS is an opportunity for you to consider what you want and what might improve your life on a day to day basis. It's important to understand that you have rights and that a set of principles exist that underpin these rights, including respect and autonomy of people under the law.

MAKING YOUR OWN DECISIONS

You have the right to make your own decisions. This is fundamental to our human rights and is laid out in the United Nations Convention on the Rights of People with Disabilities (UNCRPD).
